## Introduction

The Ministry of Community and Social Services provides programs and services in Ontario for:

- Children (and their families)
- Senior Citizens
- Handicapped (Physical, Emotional or Educational Handicaps and the Disabled)
- The Mentally Retarded
- Those in Financial Need (Persons in Temporary and/or Financial Distress)

The Ministry makes available various kinds of assistance to people in the above categories through local municipal governments, private agencies and charitable organizations.

In order to provide information about our programs and to make assistance readily available to you no matter where you live in Ontario, we have a network of District and Local Offices throughout the province.

If you have a problem, or would like further information about our programs — contact the office nearest to you.

## How to use this Directory

To help you find easily the office closest to you, this booklet is divided into four sections:

- A listing of District Offices, in numerical order — pages 3 to 11 — matching numbering on map — page 12.
- A map of Ontario — page 12 — numbered to match District Office listing, with alphabetical keys indicating Mental Retardation Facilities.
- A quick, alphabetical index of towns, cities, counties, districts and regional municipalities — page 14.
- A list, alphabetically by town, of Mental Retardation Facilities — page 16 — keyed to match map on page 12.

### To Find the Closest Office

- (i) Look at the map on page 12 and find the district (numbered 1 to 19) closest to you and turn to the appropriate numbered section in the booklet; or
- (ii) Locate in the quick-index — page 14 — the town, city, county, district or regional municipality in which you live and turn to the page indicated.

### To Locate Mental Retardation Facilities

- (i) Check listing — page 16 — of facilities by town, alphabetically; or
- (ii) Look at the map on page 12 and find the alphabetical key(s) — a, b, c, etc., — for facilities in your area. Refer to map's legend for facility name and location. See page 16 for full address.
